L'azienda

The company

Azzurra nasce nel 1985 a Civita Castellana per assumere presto un ruolo di primo piano all'interno del distretto industriale della ceramica sanitaria. Soprattutto grazie alla capacità di intercettare e, a volte, anticipare le evoluzioni dell'ambiente bagno, reinterpretato con passione attraverso soluzioni tagliate sui nuovi bisogni del terzo millennio. Un mix di qualità produttiva, design e tecnologia che ha conquistato i mercati internazionali all'insegna del migliore Made in Italy.

Azzurra was established in Civita Castellana in 1985, and would soon play a leading role in the industrial sector of sanitaryware. Especially with the ability to capture and, at times, pre-empt the evolution of the bathroom, passionately reinterpreted by means of solutions suited to the new needs of the third millennium. A blend of product quality, design and technology that has won over international markets under the banner of the best of Made in Italy.
