

*To all our customers*

Gattico Veruno, 24/02/2026

## **Price increase 2026**

Dear Customer,

We would like to inform you that, as of 1st April 2026, all prices in the Alpi price lists will be adjusted by 5%.

This update is necessary due to the continuous increase in the cost of raw materials, primarily brass bars, as well as to ensure that current quality and service standards are maintained.

We therefore ask you to take note of this communication and to consider the increase when estimating your future sales.

We remain at your disposal for any clarification and thank you for your trust and cooperation.

Kind regards

**ALPI S.p.A.**
